

# Guidelines for submitting DVD's to air on SkyeXIII

We can only accept DVD's that are housed in DVD Library Cases.

We will not accept DVD's that are in CD jewel cases or paper or plastic sleeves.

The DVD disk must be clearly labeled with name of show and the total running time.

The library case must be clearly labeled with the name of the show on the spine of the case.

One show per disc, we will not accept DVDs that have multiple programs or multiple episodes of programs on them. No multiple titles on the DVD, if the DVD contains a menu do not add extra material to the disc. It is preferred that if you are submitting a show to air on channel 21 or 16 to loop, that it does not have a DVD menu or countdown or slate. Please make sure that if you are burning a DVD on a standalone unit the DVD is finalized, this process makes the DVD work in any DVD player.

If you are making the DVD on a computer, please check to make sure the software can create chapter points, this allows us to set the loop in and out points easier. Acceptable DVD media are, DVD+R, DVD-R  
*We can not air DVD-RWs (rewritable's) or DL (dual layer discs)*

Please note that if you are dropping off a DVD for the first time, you will be asked to wait so we can test it out to determine if it is compatible with our equipment.
