Training:

In order to produce a television production at Skye Cable XIII it is recommended that you have a crew of *at least* one camera operator, a director, and a character generator operator. Skye Cable XIII provides free training in Camera Operations, Directing, Audio, Character Generation, Editing and Remote Equipment. In order to submit a producer's agreement you and your crew will need to receive training in the appropriate areas related to your show. Please check the areas of training you need in order to accommodate your production.

___ Camera Operations

___ Directing

___ Character Generator

___ My show is prerecorded,
I do not need training

___ Remote Equipment

___ Audio

___ Video Editing

___ Have prior training or
my crew is trained.
